Instructions for
APPLICATION FOR AMENDMENT 80 LIMITED ACCESS FISHERY PERMIT

An Amendment 80 limited access fishery permit is required for an Amendment 80 Quota Share (QS) holder to catch, process, and receive Amendment 80 species assigned to the Amendment 80 limited access fishery, or use halibut and crab prohibited species catch (PSC) assigned to the Amendment 80 limited access fishery.

An Amendment 80 limited access fishery permit is issued annually to an Amendment 80 QS holder who has submitted:

- A timely and complete application for the Amendment 80 limited access fishery as described at § 679.91 that is approved by NMFS; and
- A timely and complete Annual Trawl Catcher/Processor Economic Data Report (EDR) for all Amendment 80 QS permits held by that person as described under § 679.94 that is subsequently approved by NMFS.

Pacific States Marine Fisheries Commission (PSMFC) has been designated by NMFS to be the Data Collection Agent for the Amendment 80 EDR program. PSMFC mails EDR announcements and filing instructions to Amendment 80 QS permit holders by April 1. You may also use the web based EDR form or download the EDR form in fillable PDF format. To request that a printed EDR be mailed to you, please call 1-877-741-8913, or email your request to am80edr@psmfc.org.

An Amendment 80 limited access fishery permit is valid until whichever of the following occurs first:

- Until the end of the year for which the Amendment 80 limited access fishery permit is issued; or
- Until the permit is revoked, suspended, or modified pursuant to § 679.43 or under 15 CFR part 904.

Deadline: A completed EDR must be received by NMFS no later than 1700 hours A.l.t. on **June 1** of the year following the calendar year during which the Amendment 80 CQ permit was held, or if sent by U.S. mail, postmarked by that date.

Deadline: This completed application must be received by NMFS no later than 1700 hours A.l.t. on **November 1** of the year prior to the year for which the applicant wishes to participate in an Amendment 80 fishery, or if sent by U.S. mail, the application must be postmarked by that time.

A legible copy of the Amendment 80 limited access fishery permit must be carried onboard an Amendment 80 vessel assigned to the Amendment 80 limited access fishery when fishing in the BSAI or adjacent waters open by the State of Alaska for which it adopts a Federal fishing season.

Type or print legibly in ink; retain a copy of completed application for your records.

When complete, submit application to NMFS:

Mail to:	**NMFS Alaska Region** Restricted Access Management (RAM) **P.O. Box 21668** **Juneau, Alaska 99802-1668**
Deliver to:	**709 West 9th Street, Room 713** **Juneau, AK 99801**
or fax to:	**(907) 586-7354**

If you need additional information, contact Restricted Access Management at **(800) 304-4846 (Option No. 2)** or **(907) 586-7202 (Option No. 2)**.

Please allow at least 10 working days for your application to be processed. Items will be sent by first class mail, unless you provide alternate instructions ***and*** include a prepaid mailer with appropriate postage or corporate account number for express delivery.

BLOCK G -- APPLICANT CERTIFICATION

Enter applicant or authorized representative printed name, signature, and date signed.
If completed by a designated representative, **attach** authorization.

PUBLIC REPORTING BURDEN STATEMENT

Public reporting burden for this collection of information is estimated to average 2 hours per response, including the time for reviewing the instructions, searching the existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to Assistant Regional Administrator, Sustainable Fisheries Division, NOAA National Marine Fisheries Service, P.O. Box 21668, Juneau, AK 99802-1668.

ADDITIONAL INFORMATION

Before completing this form, please note the following: 1) Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number; 2) This information is mandatory and is required to manage commercial fishing efforts under 50 CFR part 679 and under section 402(a) of the Magnuson-Stevens Act (16 U.S.C. 1801, *et seq.*) as amended by Public Law 109-479; 3) Responses to this information request are confidential under section 402(b) of the Magnuson-Stevens Act. They are also confidential under NOAA Administrative Order 216-100, which sets forth procedures to protect confidentiality of fishery statistics.

PRIVACY ACT STATEMENT

Authority: The collection of this information is authorized under the Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1801 *et seq*.
Purpose: NMFS uses information provided in this application to determine eligibility for the applicant to receive an Amendment 80 (A80) limited access fishery permit and to assign the permit. This permit authorizes the QS holder to catch, process, and receive A80 species assigned to the A80 limited access fishery, or use halibut and crab prohibited species catch assigned to the A80 limited access fishery, for the specified fishing year. The primary purpose for requesting the SSN/TIN is for the collection and reporting on any delinquent amounts arising out of such person's relationship with the government pursuant to the Debt Collection Improvement Act of 1996 (Public Law 104-134). Personal information is confidential and protected under the Privacy Act (5 U.S.C. 552a). Business information may be disclosed to the public.
Routing Uses: Disclosure of this information is subject to the published routine uses identified in the Privacy Act System of Records Notice COMMERCE/NOAA-19, Permits and Registrations for the United States Federally Regulated Fisheries. NMFS posts some information from this form on its public website (https://alaskafisheries.noaa.gov/). In addition, NMFS may share information submitted on this application with other State and Federal agencies or fishery management commissions, including staff of the North Pacific Fishery Management Council and Pacific States Marine Fisheries Commission.
Disclosure: Furnishing this information is voluntary; however, failure to provide complete and accurate information will prevent determination of eligibility for an A80 limited access fishery permit.
