

Better **Data,**  
Better **Fishing**

You make it possible

**NOAA**  
**FISHERIES**

**Thank you!** The information you shared will play a **key role** in supporting **healthy and productive fisheries**.

Your responses will go to the **Marine Recreational Information Program**: the state-regional-federal partnership that estimates **saltwater anglers' catch and effort**. These data are fundamental to fisheries science and management.

View the estimates. Query the data.
