- NOAA's "Leveling the Playing Field" plan to combat IUU

# OLE's Enforcement Priorities

# How we accomplish our priorities

- Outreach and compliance assistance
- Patrols, inspections and monitoring
  - Criminal and civil investigations
- Partnerships with state, tribal, federal and nongovernmental organizations
- Collaborative fisheries enforcement to implement international treaties and obligations
- Use of innovative technological tools

# Education, Outreach and Compliance Assistance

# Partnerships

- **Cooperative Enforcement Program (JEAs)** with 27 coastal states and U.S. territories
- **Federal partnerships** with U.S. Coast Guard, Fish & Wildlife Service, Customs & Border Protection, and others
- Civil cases are prosecuted by **NOAA's Office of General Counsel's Enforcement Section**
- Criminal cases are prosecuted by **U.S. Department of Justice and U.S. Attorney's Offices**

# Why does a strong enforcement program matter?

## Enforcement is critical to fisheries management

### Our work

- Sustains fish stocks for commercial, recreational, tribal and US territorial users
- Helps prevents the illegal, unregulated and unreported harvesting and trafficking of fish and wildlife
- Protects marine mammals and endangered species
- Maintains and restores marine and inland water habitats
- Conserves coral reefs and marine protected areas
- Levels the playing field for all industry participants
- Holds accountable those who violate the law

# How can Councils help?

Effective regulations:

- Simple and easy to understand
- Few as possible and/or concise

## **Enforcement Considerations For Regional Fishery Management Councils**
