- From the home page, click on your name in the upper right corner. You will come to a page called Modifying User Account.
 - You can also select “Users Registration” from the menu and then select “Modifying User Account.”
- Make any necessary changes to your user data.
- If you wish to add another role to your profile, such as if you registered as a WBFT Exporter and want to add WBFT Importer, go to “New request” and select the role from the drop down menu (see below).
- Hit Save.
