

## List of Intermediary Nations and Their Products

Product	Processing Company	Source of Product (nation and fishery)	Area of Operation	References	Comments
<b>Antigua and Barbuda</b>					
king crab	none provided	none provided	none provided	U.S. trade data	
<b>Australia</b>					
Tropical rock lobster	none provided	Papua New Guinea	not applicable	Australia Provided: Attachment A, Commonwealth Fisheries	still likely to be zero interactions since hand collection
<b>Bahamas</b>					
crab (king)	none provided	none provided	none provided	U.S. trade data	
<b>Belarus</b>					
Herring, Pickled Fillets	JV Santa Bremor	Norway		U.S. trade data	Only an Intermediary Nation
Capelin Caviar	JV Santa Bremor	Iceland		U.S. trade data	Only an Intermediary Nation
Pollock Caviar	JV Santa Bremor	Russian Federation		U.S. trade data	Only an Intermediary Nation
Cod Caviar	JV Santa Bremor	Norway		U.S. trade data	Only an Intermediary Nation
Antarctic Krill (Seafood Paste)	JV Santa Bremor	Ukraine		U.S. trade data	Only an Intermediary Nation
<b>Costa Rica</b>					
Shrimp	RAINBOW, CONAPROSAL	84 producer	Eastern Tropical Pacific	Database of the Costa Rican Institute of Fisheries and Aquaculture; U.S. Trade Database	

## List of Intermediary Nations and Their Products

Product	Processing Company	Source of Product (nation and fishery)	Area of Operation	References	Comments
Shrimp	RAINBOW, CONAPROSAL	84 producer	South Atlantic	Database of the Costa Rican Institute of Fisheries and Aquaculture; U.S. Trade Database	
trout	TRUCHAS REALES DE C.R.	240 producer	inland fresh water pool	Database of the Costa Rican Institute of Fisheries and Aquaculture; U.S. Trade Database	Freshwater Looks like they both produce and process aquacultured trout
Tuna, yellowfin, bigeye	PMT, MARTEC, FRUMAR, ALIMENTOS PROSALUD	*None provided	Eastern Tropical Pacific, Inter-American Tropical Tuna Commission Convention Area	Database of the Costa Rican Institute of Fisheries and Aquaculture; U.S. Trade Database	Costa Rica Has initiated a program with forms to determine the documentary traceability of shark in these forms is requested information on mortality of birds, turtles and marine mammals. *Unclear if they are producing for other nations or producing their own product.

### Colombia

## List of Intermediary Nations and Their Products

Product	Processing Company	Source of Product (nation and fishery)	Area of Operation	References	Comments
Tuna, albacore	Gralco, SA and Trimarin	none provided	Western Central Pacific	Colombian submission	GRALCO S.A., in partnership with TRIMARIN, exports pre-cooked and frozen albacore tuna loins to the United States, but the origin of this tuna is Western Pacific. This resource is fished mainly by foreign-flagged longline vessels and it is moved from its zone of origin in duly-refrigerated containers to Colombia, place from where it is exported to the United States
<b>Finland</b>					
haddock	none provided	none provided	none provided	US Trade Data	Haddock does not occur in the brackish waters of the Baltic Sea. The Finnish fisheries are confined to the Baltic Sea and Finland has no vessels that fish outside the Baltic Sea.

## List of Intermediary Nations and Their Products

Product	Processing Company	Source of Product (nation and fishery)	Area of Operation	References	Comments
salmon ( <i>Salmo salar</i> )	Aquaculture company	marine fish farms	Norwegian coastline		Approx. 30 000 tons of Norwegian farmed salmon is annually imported into Finland and processed in Finland. Some of these products may now or in the future be exported to the US.
<b>Greece</b>					
toothfish	none provided	none provided	none provided		
<b>India</b>					
caviar	none provided	none provided	none provided	India provided: NOAA spreadsheet Import	
cod, groundfish	none provided	none provided	none provided	India provided: NOAA spreadsheet Import	
Atka mackerel	none provided	none provided	none provided	India provided: NOAA spreadsheet Import
