## Crab IPQ Transfer Instructions

### HOW TO DO A TRANSFER - TRANSFEROR INSTRUCTIONS

1. Go to the NOAA Fisheries eFISH website:
https://alaskafisheries.noaa.gov/webapps/efish/login

2. Enter the NMFS ID and password (the IPQ permit holder's Id and password).

3. Click on the Transfer IFQ/IPQ link on the main menu.

4. Enter the transfer system by entering the first and last name of the individual acting for the transferor, and the IPQ transferor's authorization key. You can obtain an authorization key by contacting RAM staff during business hours at (800) 304-4846, option #2 or (907) 586-7202, option #2, or via email: RAM.alaska@noaa.gov. One key is issued per transferor.

5. To initiate a new transfer, click on 'Begin New Transfer'. Transfers must be initiated by the transferor.

Begin New Transfer

6. Complete the new transfer application form. Select your IPQ permit and a fishery from thelist provided. After you select your IPQ permit, other permit attributes (sector, region, and class) will be automatically filled in. NOTE: Due to ROFR/ECC restrictions, some transfers cannot be completed online, or cannot be completed immediately. Please refer to 50 CFR 680.41 BSAI Crab transfer regulations or contact RAM staff during business hours at (800) 304-4846, option #2 or (907) 586-7202, option #2, or via email: RAM.alaska@noaa.gov.
