

The Dr. Nancy Foster Habitat Conservation Award

2020 Nomination Form

Eligibility

- Nominees must have demonstrated exceptional achievement and dedication to coastal and marine habitat conservation. Contributions may include work to protect, restore, manage, study, or promote stewardship of marine, coastal, or riverine habitats, and the species supported by these ecosystems.
- Individuals, groups, or organizations may be nominated for their work, volunteer efforts, support, or other contributions to coastal and marine habitat conservation.
- Nominations previously submitted (and not awarded) may be resubmitted with an updated nomination form and any new supporting documents.

How to Apply

1. Complete the 2020 Nomination Form, and attach Description of Achievements.
2. Identify electronic examples of nominees' work, including publications, photographs, videos, or other materials.
3. Letters of support are welcomed, and must be included as attachments with the nomination package.
4. Submit the full nomination package (nomination form, description of achievements, examples of work, and letters of support) in a single email to: FosterAward.nominations@noaa.gov by **September 15, 2020**.
5. For more information, please contact: Kara.Meckley@noaa.gov, (301) 427-8642.

Selection Process

A committee of experts in the marine habitat conservation field will select the award recipient.

Description of Achievements (include as attachment)

Please provide a detailed description of the activities, accomplishments, and other achievements that document the nominee's efforts, with a focus on achievement and dedication to coastal and marine habitat conservation using these criteria as a guide:

- Personal success, commitment, and contributions
- Innovative approaches, techniques, and accomplishments that motivate others
- Ability to balance habitat conservation with responsible use and stewardship

Please submit nominations electronically via email to:
